2. D. Bacon motions to accept as written.
3. J. Eastman seconds.
4. Minutes approved.

New Communications

1. Planning Board discusses meeting venue issues. It has been suggested to R. Briggs that we are to be transitioning our meetings to the Town House in preparation of the possible addition of an office onto the Town House. J. Zulker does not believe that a transition is necessary at this time as the addition of office has not even been voted on, much less approved by the Town. Furthermore, there are no records or office amenities at said Town House. J. Zulker advised J. Eastman to discuss with the Selectmen foregoing the transition until a final decision is made by the Town/Townsppeople as to the permanent location of new the Town office.
2. Contact information needs to be updated with Town and City Magazine to start having them send issued to R. Briggs. Guest Lisa Lewis inquires as to the cost of said periodical.
3. R. Briggs discusses what land the Town still owns and the plans for its future uses. This will be an ongoing discussion in future meetings.

Existing Business

1. Conditional approvals of the Diegoli Boundary Line Adjustment were reviewed and completed. R. Briggs sent copies of the survey to both parties. J. Zulker submitted copy of survey to J. Eastman for the Selectman.
