Minutes to November, 2021 meeting approved as written.

Signed vouchers.

Contract with Rod Wood for assessing work was approved by the Department of Revenue. The signed copy will be sent to Rod Wood. He will forward a copy to the DRA.

There was a Lien put on the property owned by Richard Mardigian. It was put on the property before he took possession of it. The lien was never removed. The Mardigian's are preparing to sell the property. The title company would like the lien removed. The Selectmen will look into whether or not the lien should be removed and how to go about doing that.

Jason Eastman got the paperwork submitted to receive the grant money. We received word that it was submitted.

The town will purchase a lap top in 2022 to use to access the Carroll County Registry of Deeds. The program that they use to run the website causes the Motor Vehicle program to not work.

Bert Weiss attended the meeting to discuss progress with broadband. A person from Denmark was supposed to attend but was not able to.

A motion to adjourn was made and seconded.

Meeting Adjourned.

Respectfully Submitted,

Patricia Pitman
