

Town of Chatham

February 3, 2022

Attendance: Tricia Pitman, William Briggs, Riley Pitman, Jason Eastman, Alan Eastman, Bill Findeisen, Bert Weiss

Minutes to January 2022 meeting approved as written.

Signed vouchers.

Bill Findeisen and Bert Weiss addressed the Selectmen. Bert currently belongs to two different groups; both are working toward getting broadband in the area. Jeb Bradley confirmed that there will be money available to work toward achieving this goal. The group that Bill Findeisen belongs to would like 5 to 10 thousand dollars from the town of Chatham and a commitment from the town to join their group. The money would go toward hiring a consultant to make the plan.

The Selectmen will review the information and make a decision at a later date.

The Selectmen are not sure if they need to put an additional warrant article in the town report. There may need to be one to accept the money sent by the state. Jason will check with the Municipal Association. I will try to check with the DRA again.

The Selectmen went over 2 changes that the budget committee made. The Fire Department request was lowered to 15,512.50 and the Library request was lowered to 700.

The Sales Ratio was at 83.7 %. Rod Wood indicated that this would be ok because it is not a year of certification.

An Intent to Cut was signed for Millard Davis.

The DES sent another notification concerning the cutting near the shore line on Upper Kimball Lake.

A motion to adjourn was made and seconded.

Meeting Adjourned.

Respectfully Submitted,

Patricia Pitman
